AMERICA'S CAR MUSEUM is an Equal Opportunity Employer

DIVISION:	<u>ACM - Operations</u>	REPORTS TO:	<u>Education Manager</u>
DEPARTMENT:	<u>Education</u>	BENEFITS:	<u>Eligible</u>
FLSA STATUS:	<u>Exempt</u>	DRIVING CLASS:	<u>Preferred</u>
FTE STATUS:	<u>1.0 (Full-time)</u>		
SUPERVISES:	<u>Volunteer Museum Educators, Volunteer Education Interns</u>		

GENERAL SUMMARY:

The Education Coordinator supports the development, implementation, and sustainability of the Museum's Education programs, spaces, and experiences. The Education Coordinator is responsible for the development and daily implementation of the Museum's lifelong learning programs including, but not limited to, the following: School, Youth & Family, Scout, and Adult Programs. The School Program provides education group visits, workshops, and events for PK through college, homeschools, and educators both at the Museum and out in the community. The Youth & Family Program ranges from Summer Camp to Family STEAM Days. The Adult Program offers lectures, tours, and hands-on automotive workshops for lifelong learners. The Scout Program connects both Boy Scout and Girl Scout groups with merit badge workshops, pinewood derby competitions, and late night activities. The Museum Education spaces include programming locations, the Education Resource Center, and the Family Zone where lifelong learning, research, and professional development experiences spark creative learning.

Responsibilities include but are not limited to: Facilitating inquiry based tours and workshops; Developing and maintaining education content, interactive hands-on workshops, gallery activations, and pre-visit/post-visit lesson plans, and curriculum in conjunction with state and national standards; Promoting and booking education programs and events with schools, educators, and program clients; Collaborating with other departments to maintain and enhance education programs and logistics; Supervising and coordinating volunteer Museum Educators, interns, and other education volunteers to facilitate outstanding education experiences; Designing and facilitating training sessions for program volunteers and staff; Conducting regular evaluation and assessment of education programs; Creating and updating education program content for the website and publicity; Supporting the Education Manager with organization, operations, and maintenance of education programs and spaces.

This position requires occasional evening, weekend, and holiday work. This position description has been designed to indicate the general nature and level of work performed by job holders within this role. It is not designed to contain, or be interpreted as, a comprehensive inventory of all duties, responsibilities, and qualifications required of employees assigned to the job. To perform the job successfully, an employee must perform each essential responsibility satisfactorily.

PRIMARY OBJECTIVES:

1. Ensure the on-going development of engaging and meaningful educational content and curriculum in line with state and national education standards in the subjects of history, social studies, math, science, engineering, physics, technology, industry, the arts, literacy, and other relevant topics including next generation science standards, 21st century learning skills, and/or museum standards;
2. Expand the reach and impact of Museum Education programs at ACM and in the community by increasing participants served with high quality programs and resources;
3. Build and expand relationships with education program participants, schools, and the community through outstanding customer service, hospitality, and attention to detail;
4. Foster positive engagement, innovative thinking, inquiry based learning, and customization of programs to support lifelong learning for all visitors;
5. Establish best practices in program development and execution through continual assessment and evaluation;
6. Invest in building positive and supportive relationships with staff, volunteers, and community partners to ensure the growth and sustainability of the Museum's Education Program.

MAJOR RESPONSIBILITIES:

Under the general direction of the Education Manager, the Education Coordinator will be responsible for:

1. Developing education content, interactive hands-on workshops, inquiry-based gallery learning activities, and pre-visit and post-visit lesson plans and curriculum for education programs in support of museum, state, and national standards;
2. Promoting and scheduling education programs with schools, educators, and education contacts and clients via telephone, e-mail, fax, and in person meetings to maximize program participation and satisfaction;
3. Customizing education programs and events to meet learning goals and provide an exceptional experience at the Museum and with the Museum Education program;
4. Facilitating inquiry based tours and workshops and leading a volunteer team to teach and deliver engaging learning opportunities for students, visitors, and educators;
5. Designing and facilitating training sessions for staff and volunteers to provide excellent and age appropriate education programs and experiences;
6. Conducting regular evaluations and assessments of on-going education programs;
7. Collaborating with other departments to maintain and enhance education program logistics including space usage, safety, security, parking, ticketing, and volunteers;
8. Supervising and coordinating volunteer Museum Educators, volunteer interns, or part-time staff to facilitate outstanding educational experiences at the Museum and through community outreach;

QUALIFICATIONS:

The incumbent for this position must be at least 21 years of age and possess: A valid Driver License; A Bachelor's Degree in Education, Museum Studies, History, or Science; A minimum of two years' professional experience in the field of education, which must include experience working with and presenting curriculum to the PK-12 audience. Experience within a museum education department is preferred. The incumbent must be a team player able to work independently and collaboratively among all departments within the Museum.

Additionally, the incumbent must possess:

1. The ability to pass ACM's in-depth background investigation including criminal history, employment records, and personal references;
2. Intermediate to advance skills in the use of MS Word, Excel, PowerPoint, Outlook, Web browsers, iPad application, and data management;
3. A basic appreciation of the automobile and its role throughout American Society;
4. The ability to assume a leadership role and handle new challenges;
5. Demonstrated teamwork skills;
6. A positive, solution focused attitude;
7. The skill and ability to work independently with general instruction and minimal supervision while maintaining a team oriented approach and attitude;
8. An ability to thrive in a fast-paced, dynamic environment, with high expectations for professional outcomes;
9. A track record of providing high levels of customer service;
10. An ability to effectively multi-task and coordinate between different projects and/or departments and agencies while remaining organized and solution focused;
11. The interpersonal skills, sensitivity, and ability to professionally interact with a diverse range of people of all ages, socio-economic groups, and personality types;
12. The ability to critically analyze and resolve quantitative, logistical and spatial problems;
13. The ability to project voice and speak to large groups without the aid of amplification;
14. A solid proficiency in the English language with professional communication skills including written, oral, presentation, and interpersonal skills;
15. Ability to stand and walk for extended periods of time;
16. Ability to work on a computer for extended periods of time;
17. The ability to lift and move up to 25 pounds frequently;
18. The ability to move classroom supplies from one floor to another, lead tours and meetings while moving throughout the Museum for long periods of time, read and interpret manuals and instructions, communicate clearly verbally and in written form to carry out responsibilities of the position.

WORKING CONDITIONS:

1. Regular exposure to an office environment with occasional exposure to a shop, commercial retail, commercial food, and outside work environment;
2. Regular contact with the public;
3. Outside work is conducted in varying weather conditions;
4. Regular exposure to office equipment including: Computer work station, copy machine, postage machine, comb binder, paper cutter, printer, and telephones;
5. Occasional exposure to oil and petroleum products, solvents, cleaners, and various other chemicals;
6. Occasional exposure to dust, gases, and fumes.

RESPONSIBILITIES:
