LeMay at the New York International Auto Show!

LeMay – AMERICA'S CAR MUSEUM® recently participated in the [New York International Auto Show](#) for the third year in a row. We had two amazing 1931 Oldsmobiles on display; one original and one fully restored, courtesy of Charles Eggert, a very generous LeMay supporter of Morristown, New Jersey.

Special thanks to Candida Romanelli, Museum Board Member and Director of the NYIAS for providing the space and services and a great opportunity to grab the attention of the press in the Northeast.

Roy Hughes Digital Block Post Cards and Posters

Renowned artist and Puget Sound native, Roy Hughes, has turned his passion and skill toward the LeMay Museum, where the Museum Gift Store currently features eight of his digital block prints. Each print features a favorite LeMay Collection vehicle, such as our 1948 Tucker, 1916 Pierce Arrow and 1932 Ford "Jet Car".

A digital block print is artwork that has the style of old travel posters from the 1920's and 30's. The design is drawn on a digitizing table hooked up to a computer. Once the design is drawn, Hughes uses the computer to color the image.

Currently, the LeMay Museum has greeting cards and matted prints available for sale in the Gift Store. Please contact us at 253.536.2885 or email retail@lemaymuseum.org to place your order. Prices start at \$4.00

each for greeting cards and \$39.95 each for matted prints and posters.

LeMay Volunteering: Work AND Play!

If you're driving on any of the back roads of Pierce County on Sunday, May 31st chances are good that you will see a caravan of cool classic cars on our 2nd Annual LeMay Volunteer Picnic Tour!

Last year, about 50 volunteers and their spouses or co-drivers met at the Museum at Marymount and traveled along scenic back roads in their personal collector cars to Ike Kinswa State Park. Everyone agreed – beautiful scenery, gorgeous cars, and tasty BBQ - what a great combination! Last year was so much fun that we decided to do it again.

We will also have our Volunteer Appreciation Day on Saturday, May 2nd. Ask any volunteer - they'll tell you that volunteering at the LeMay Museum isn't all just work – there's a lot of play, too! You can read more about volunteering at the LeMay Museum [here](#).
