### THE PEBBLE BEACH MOTORING CLASSIC

This 1,500-mile driving odyssey traces some of the most scenic roads the West has to offer, starting near Seattle, Washington, then scaling the Cascades and paralleling the Pacific Coast on its way to the ultimate auto destination—the Pebble Beach Concours d'Elegance.

On the road, Motoring Classic participants enjoy bountiful meals, unique accommodations and the companionship of other auto enthusiasts. At Pebble Beach, they are invited to take part in the Pebble Beach Tour d'Elegance presented by Rolex and other select events normally reserved for Concours entrants and judges.

Participants must have a roadworthy car with an elegance befitting the Concours. A maximum of 30 cars are accepted each year.

## **Sponsor Highlight: AAA Washington**

[AAA Washington](#), presenting sponsor of the LeMay Annual Car Show and Auction, was established in 1904 by 10 prominent Seattle businessmen with the mission of making automobile travel safe, comfortable and affordable. They soon led the effort in

enacting laws to protect users of the public roads, erect directional signs and create legislation to provide for new transportation arteries. They were also active in drafting Washington's first traffic code requiring auto licensing, one lighted lamp for hours of darkness, a muffler, "good and efficient" brakes, a bell or horn, and speed limits of 12 m.p.h. in city and 24 m.p.h. on the open road. Though the requirements were few, they were a substantial accomplishment considering the state of the day's roads. A century later the fruits of their labor are still visible throughout our state.
