The MEET Vintage Motorcycle Festival: Weekend Seminars Announced

August 22-24 at America's Car Museum 8 am - 5 pm

ACM is once again hosting the annual Vintage Motorcycle Festival, The MEET at America's Car Museum. Join us Saturday, August 23 for 450+ vintage motorcycles, a swap meet, trials demonstrations, and seminars presented by Motorcycle Classics Magazine.

Motorcycle Classics Magazine Seminar Schedule:

- Avon Tires: tire construction, tread design, inflation issues
- Penske Shocks & GP Suspension: keeping tires on the road for maximum traction
- Moto Discovery: international adventure touring
- First Aid for First Responders: presented by a veteran paramedic

Seminars are interspersed with the Trials Rider and the Tenino Drill team beginning at 10:30 am through 3 pm.

[Register for The Vintage Motorcycle Festival and get your tickets online now.](#)

Craig Lehman is battling brain cancer, but that doesn't stop him from following his passions. The 18-year-old from Wichita, Kansas visited Tacoma in July as part of the Make-A-Wish program.

Craig has his own 1976 Camaro, and he's a self-identified Chrysler

guy. As part of his visit to ACM, Craig received a private tour of the entire collection from volunteer Pat Crist. Craig got to take a closer look at any ACM-owned vehicle he wished, including sitting inside and peeking under the hood. The whole family took a spin in the Speed Zone, racing on the simulators and around the slot-car track. At the end of the tour, Craig's family headed outside for a joyride around the Show Field in an Oldsmobile 98 and Craig got a ride in ACM's 1939 GT39, a custom recently donated to the Museum by Cindy Warn.

Craig and family spent five days in the Pacific Northwest, including a visit to Point Defiance Zoo and Aquarium to dive with the sharks, a glassblowing class at the Seattle Glassblowing Studio, and dinner at the Space Needle. ACM was pleased to be part of this incredible experience, and wishes Craig all the best.

Collection Spotlight: 1939 Ford GT39

Donated to ACM by Cindy Warn

This custom 1939 GT39 was donated to America's Car Museum by Cindy Warn.

New to America's Car Museum Collection is an award-winning 1939 Ford Deluxe Convertible known as the "GT39". Cindy Warn had her 1939 Ford convertible customized by Divers Streetrods in the 1980s and when completed it was featured in *Rod Action Magazine* as "Warn's Weekender". In 2006 Cindy Warn decided her car needed a full face-lift and returned the car to

Double Your Donation!

Many companies match current and retired employee contributions and also make donations for volunteer hours worked.

To see if your employer offers a Matching Gift or Volunteer Grant Program, please contact your personnel office or [contact us](#).

People Love Us On TripAdvisor & Yelp!

America's Car Museum is ranked third out of 35 attractions in Tacoma and is a 2014 Certificate of Excellence Winner on TripAdvisor. On both TripAdvisor and Yelp, we average 4.5 stars from our guests! Tell us what you love about ACM and how we can improve for your next visit.

The car was completely re-signed with only 20% of the original 1939 Ford tin. To match the fine craftsmanship the car is powered by a 2006 Ford GT supercharged engine and Ford 4R 4 Speed manual transmission. Ford GT engines are hand built, aluminum 5.4L (330 ci) V-8s. The Lysholm supercharger with intercooler easily pumps out 550 hp at 6,500 rpm and delivers peak torque at 500 lb-ft at 3,750 rpm. The car rides on air suspension, allowing for custom and multiple pre-set ride heights for cruising, all out driving, or just resting. The removable hardtop allows the car to still be enjoyed as a convertible.

Get more highlights about the Ford GT39 and other feature cars in *OpenRoad*, ACM's award-winning magazine. Members get free subscriptions to *OpenRoad*. [Join today!](#)

Pacific Northwest Concours d'Elegance Featured Class: Shelby Mustang 1965-1970

As the Pacific Northwest Concours d'Elegance approaches in September, we are highlighting some of the vehicles that will be featured at the 2014 event. Take a deeper look at Shelby Mustang, one of the special classes presented this year in this excerpt from an article featured on pnwconcours.org by Mark Hovander and John Atzbachin:

The Pacific Northwest Concours d'Elegance is proud to share the two Shelby Mustangs which started this automotive legend. In early 1963, the

Ford Motor Car Company embarked on the largest financially backed racing program ever conceived by an automotive manufacturer. This racing program would encompass all forms of racing from Indy to LeMans from stock car racing to SCCA road racing. This massive endeavor was known as "The Total Performance" program.
