MONACO GRAND PRIX FOR TWO MAY 26 – 29, 2017

Reserve:
\$10,075

Head to Monaco for the annual Grand Prix, the Formula One motor race held on the Circuit de Monaco, for a once in a lifetime experience. Step into a world of high stakes glamour and the playground for the rich and famous. Saturday, May 27, you and a guest will view the races from the requested 'Zone 1' tri-deck yacht offering stunning views as the cars race through the harbor circuit. The harbor section of the track is one of the most exciting parts of the Monaco circuit, and the specially chosen yacht is the perfect place to enjoy the action from. Once on-board the Champagne will flow as the action unfolds. A light breakfast, fine buffet luncheon and afternoon tea is served from the yachts galley with an open bar all day. Sunday, experience the Monaco GP race day from Grandstand B, Casino Square. Watch as the cars race between the iconic Hotel de Paris and Casino de Monte-Carlo, round the bend directly in front of the grandstand and then race down the hill past the Café de Paris. You get a true sense of the speed and agility of the cars as they negotiate the tight turns of Casino Square. Your three nights' accommodations will be at the Four-Star Radisson Blu hotel (or a similar property).

- Two VIP tickets to Saturday's events
- Two VIP tickets to Sunday's events
- Three nights' accommodations

*Date specific – Friday - May 26 – Monday May 29, 2017. Excludes airfare.
Grandstand B is a non-catered facility but a pre-paid lunch reservation can be made at a nearby restaurant upon request.*

CHIHULY
"ASPEN GREEN PERSIAN"
2009 STUDIO EDITION

Value:
\$5,500

"I just liked the name 'Persian.' It conjured up the Near East, Byzantine, Far East, Venice – all the history, trades, smells and senses. It was an exotic name to me, so I just called them Persians."

– Dale Chihuly

The Persian series of works are visually fascinating with their curious old-world influence and powerful use of color. So well received, these works later contributed to the artist's larger installations, much like the *Persian Ceiling* at the Oklahoma City Museum of Art or *Fiori di Como* at the Bellagio Resort – a 2,000-piece sculpture.

This unique hand-blown sculpture measures 9" across and is signed by Chihuly, himself. Piece includes a hard bound book, "Chihuly Persians."

RAISE YOUR PADDLE TO SUPPORT LIFELONG LEARNING

Tonight, we invite you to raise your paddle high to support America's Car Museum's education programs and the RPM Foundation. Education is central to:

- Promoting America's automotive heritage through exhibitions, events, and educational programs.
- Creating archives of resource material related to the preservation and care of collector vehicles.
- Transferring invaluable knowledge and skills necessary to maintain, preserve and restore vintage vehicles to a new generation of craftsmen so that these skills are not lost.
- Building a new talent pool of 'Master' collector vehicle craftsmen.
- Preserving America's automotive treasures.
- Promoting America's automotive future.

Your support makes a real difference in the lives of others. America's Car Museum is a place full of wonder and excitement fueling the curiosity of both children and adults. Learning takes place at the Museum as stories are shared, ideas are exchanged, knowledge is constructed and automobiles of the past, present and future are discussed.

More than 100,000 students, educators and families have been served through ACM's education program in the first four years of operation. Last year alone, we served over 30,000 through educational programs like High Speed Fun Summer Camps, Family STEM Days, Education Group Visits and more. So far in 2016, more than 11,500 youth, families and educators have experienced ACM and our focus on education.

JOIN THE MOVEMENT

The RPM Foundation, formerly the Hagerty Education Program at America's Car Museum, supports educational institutions providing training for young people in automotive restoration and preservation. It grants scholarships, internships and full-time apprenticeships to young people providing them with a pathway to careers' in vintage vehicle and wooden boat preservation and restoration. RPM has also begun a number of collaborations with concours and high schools to generate interest among young people for careers important to the collector community.

Tonight, we invite you to **JOIN THE MOVEMENT** by showing your support of the education programs at America's Car Museum and the efforts of the RPM Foundation. Please consider making a 100% tax deductible gift at the following levels to preserve America's automotive heritage by providing educational opportunities for young and old, enthusiasts and the general public.

\$10,000
\$5,000
