Drive the Blues Away

at AMERICA'S CAR MUSEUM®

FEBRUARY 22, 2019

Let's party like it's 1929! Calling on all rum runners, moonshiners, and bootleggers! For one night only, prohibition in Tacoma is to be formally re-ratified in an evening of hush-hush drinking and costumed-cavorting at America's Car Museum. Save the Date for Drive the Blues Away: Bootlegger's Bash, February 22nd, 2019!

From sidecars to South Sound fizzes, we celebrate the past, the progression and the craftsmanship of culture surrounding hooch and its evolution to the beer, wine and cocktails of today. Obsessively prepared, passionately executed and prohibition inspired, Tacoma's best chefs will be preparing bites of what Prohibition food means to each of them.

Bands include: Seattle six piece Good Co is the United States' first live Electro Swing Band. That new old sound, Electro Swing combines the era of illicit booze, jitterbugging flappers, and underground speakeasies with the funky beats and the electric sound of today's dance music America's #1 Lynyrd Skynyrd Tribute Band Whiskey River!

Other activities to expect: Montecristo Cigar Lounge, tintage photography, game tables, hidden speakeasy and more!
