TACOMA, Wash. (July 13, 2017) – This summer, visitors to the Tacoma, Washington-based America's Car Museum (ACM) will be able to participate in a wide range of auto-related activities and events. Drive-In Movies, Cruise-Ins and Signature Events are some of the opportunities that guests can take part in throughout the coming months.

America's Automotive Trust (AAT) – a nonprofit organization committed to securing America's automotive heritage and to promote the continued enjoyment of the automobile – will hold its next Signature Event, "Cars & Cigars", at ACM on July 28. Attendees of the event will be able to enjoy signature appetizers from "James Beard Award" winning chef Tom Douglas, spirit, wine and beer tastings, Montecristo cigars and live music.

"Whether you're an auto enthusiast or just interested in visiting the Museum, we have a schedule full of fun this summer," said America's Automotive Trust President and CEO David Madeira. "There aren't many car museums that will allow you to ride in their vintage automobiles and experience our nation's motoring legacy first-hand, but then again, ACM isn't just another car museum."

ACM will host its "Take a Spin" days, allowing guests to experience history-in-motion from the passenger seat of classic and collector vehicles, as well as Drive-In Movies and Cruise-Ins.

"Our events are one of the reasons why ACM has become a travel destination for people near and far, make sure to check out the schedule of events online and see what great opportunities the Museum has to offer," added Madeira.
