### **Celebrating Armed Forces Day at LeMay – America's Car Museum**

Tacoma, Wash. (May 6, 2022) – The significant military presence that exists in the South Sound is a cornerstone piece of this community and Armed Forces Day is a time to celebrate and recognize the immense sacrifices that all men and women of our military, past and present, have endured to keep our country safe.

LeMay – America's Car Museum appreciates the service provided by those who have dedicated their careers to the military and values the opportunity to act as a gathering place for military personnel, their friends, and families to come together in their leisure time and share their appreciation for car culture.

ACM invites members of all branches of the military, retired or active, to spend Armed Forces Day at the Museum where they will be offering complimentary admission to all those who actively serve or have served.

Enjoy magnificent exhibits like Reclaimed Rust: The James Hetfield Collection – an unprecedented variety of custom-built hot rods crafted by James Hetfield of Metallica with the help of some of the world's best custom car builders. Experience the history and progression of Italian sports cars on display as part of the Alfa Romeo: Born from Passion exhibit. Take a lunch break in the Full Throttle Café that overlooks the stunning Showcase Gallery along with a view of the beautiful downtown Tacoma skyline. Get behind the wheel and put your inner racecar driving skills to the test with professional-grade racing simulators in the Speed Zone. Or get the whole family involved by building and racing your own pinewood derby cars on the pinewood derby track in the Museum's Family Zone.

Enjoy Father's Day weekend at ACM this year with an assortment of fun activities including a car show, barbecue, and beer garden that takes place outside on Anderson plaza in front of the Museum's entrance on Saturday, June 18 and Sunday, June 19.

Take your experience to the next level and explore membership opportunities at ACM with an available 10% discount at all membership levels for any retired or active member of the military.

\*Free admission for Armed Forces Day applies to retired and active military personnel only.
