### GENERAL SUMMARY:

The Signature Event Internship position will run from June through September 2018 and is an unpaid internship position, responsible for coordinating events down to the last detail; event set up's and break downs and design installs'. This internship is one of a kind, providing hands on experience, as well as coordinating, production and planning experience alongside some of the best in the business.

Responsibilities include but are not limited to: Designing, coordinating, and executing AAT Signature Events; Maintaining event timelines including minute by minute scheduling and record keeping; Adhering to and enforcing proper implementation of ACM event policies and procedures; Supporting Signature Event auction efforts; Coordinating vendors needs and event details; Coordinating with vendors for onsite deliveries and providing day-of-event vendor assistance; and Collaborating and communicating with ACM departments regarding Signature Events. The Signature Event Intern is expected to be onsite the day of the event to assist with event details and event set-up and load-out. Evening, weekend, and holiday work may be required surrounding AAT Signature Events. This position requires strategic planning and discretion to make decisions in support of the organization's objectives and departmental goals, and an ability to work independently to fulfill the responsibilities described herein while maintaining a team-oriented approach and attitude.

This position description has been designed to indicate the general nature and level of work performed by jobholders within this role. It is not designed to contain, or to be interpreted as, a comprehensive inventory of all duties, responsibilities, and qualifications required of employees assigned to the job. To perform the job successfully, an employee must perform each essential responsibility satisfactorily. These requirements are representative, but not all-inclusive, of the knowledge, skills, and abilities required. Reasonable accommodations may be made to enable individuals with disabilities to perform these essential functions.
