The new "Legends of Motorsport: The NASCAR Story" Exhibit Opens in June

The story of NASCAR is one wild ride. The fans, the experience, the cars, the legends; not much matches it in the automotive world. While there are no NASCAR superspeedways in the Northwest, ACM is delivering the experience with a new exhibit opening June 2.

The exhibit spotlights the 55-year history of NASCAR, including the drivers, cars and fans. The "Legends of Motorsport: The NASCAR Story" exhibit will open to the public Sunday, June 2 at 10 a.m. and will feature musical entertainment from Amadon and the Kim Archer Band throughout the day. ## 2013 ACM Cruise In Events Have Begun

Picture-perfect springtime weather greeted participants for ACM's first "Cruise In" of 2013. The April 11 event attracted 24 cars, including a 1966 Chevy Nova and 1937 Cadillac Fleetwood that were selected "People's Choice" winners.

The crowd hung-out on the ACM plaza, engaged in car-talk for hours and listened to music from the 1950s, 60s and 70s supplied by DJ/emcee Fred Granados.
