Head to Monaco for the annual Grand Prix, the Formula One motor race held on the Circuit de Monaco, for a once in a lifetime experience. Step into a world of high stakes glamour and the playground for the rich and famous. Saturday, May 27, you and a guest will view the races from the requested 'Zone 1' tri-deck yacht offering stunning views as the cars race through the harbor circuit. The harbor section of the track is one of the most exciting parts of the Monaco circuit, and the specially chosen yacht is the perfect place to enjoy the action from. Once on-board the Champagne will flow as the action unfolds. A light breakfast, fine buffet luncheon and afternoon tea is served from the yachts galley with an open bar all day. Sunday, experience the Monaco GP race day from Grandstand B, Casino Square. Watch as the cars race between the iconic Hotel de Paris and Casino de Monte-Carlo, round the bend directly in front of the grandstand and then race down the hill past the Café de Paris. You get a true sense of the speed and agility of the cars as they negotiate the tight turns of Casino Square. Your three nights' accommodations will be at the Four-Star Radisson Blu hotel (or a similar property).
