

AMERICA'S CAR MUSEUM®

# SUMMER CAMPS

2 0 1 7

# RACE INTO SUMMER

with creative engineering  
and high speed fun.

# SESSION 1

PARTNERING WITH:  
**FABLAB**  
TACOMA

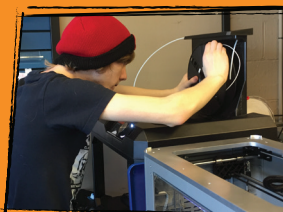

## FUNDamentals of Car Design & Engineering

Monday – Friday

July 24 – 28 | 9 am - 4 pm

Rising 7 - 9th graders

Cost: ACM/FabLab Members -\$300  
Future Members - \$350

Ready to design your own car? Discover the world of automotive design at America's Car Museum and FabLab Tacoma. Spend the mornings at the Museum learning how cars are designed to be fast, safe, fuel efficient and stylish. Then spend the afternoons at FabLab putting those principles into a slot car you design. Create technical drawings, use computers to create a 3D design for a 3D printer and learn vector designs. Add custom touches and compete in a slot car tournament.

# SESSION 2

## High Speed Fun

Monday – Friday

August 7 – 11 | 9 am - 4 pm

Rising 4 - 6th graders

Cost: ACM Members -\$300  
Future Members - \$350

Start your engines... it's time for some high speed fun! Practice your racing skills on ACM's CXC racing simulators and slot car track. Get tips from local race car drivers. Explore the science, technology, engineering, art and math used to design, build and race cars. Test your skills in daily challenges and a team simulator race finale.

Space is limited. Reserve your spot today!
