And remember, membership has its privileges, like special member-only events, newsletters and more. For instance, visit Club Auto, located on the first level, where Club members have a place to relax, meet and socialize with like-minded enthusiasts. Club Auto members get to participate in a number of museum-sanctioned activities at the club and on the road.

## A DREAM BECOMES REALITY

"The museum is the realization of Harold's dream," said Nancy LeMay. "It's what my husband always wanted."

Harold LeMay's passion for automobiles will be on display beginning June 2, when ACM celebrates its official grand opening. At its peak, Harold's collection was estimated to include a record total of more than

3,400 cars, trucks and motorcycles, earning him a place in the Guinness Book in 1997.

The Harold LeMay Exhibit - one of seven themed, interactive exhibits at ACM - highlights the breadth of Harold's collection, with cars ranging from a 1916 Pierce Arrow to a 1956 Chevy two-door hardtop. "My husband never met a car he didn't like," said Nancy.

Harold's 1916 Pierce Arrow will be on display beginning June 2, 2012

"Harold's dream has been achieved twofold," said David Madeira, ACM president/CEO. "We built a spectacular structure to celebrate and showcase America's love affair with the automobile - a love Harold exemplified - and the Harold LeMay Exhibit is front and center (on the main show floor) for the public to appreciate and enjoy."

Harold, who passed away in 2000 at age 81, was the owner of Harold LeMay Enterprises - a refuse company in Tacoma that provided him with the means to grow his eclectic collection. In 1998, fundraising and planning began for a museum to memorialize a portion of Harold's collection and celebrate America's love for everything auto.

"ACM has evolved over time," said Madeira, who, along with the LeMay family, orchestrated much of the museum's fundraising and planning. "Inspired by Harold's collection, our museum has become a multifaceted attraction that everyone, from car lovers to children, will enjoy. Whether it's admiring our interactive exhibitry or watching a movie on the 360-degree screen in the State Farm Theatre, ACM offers something for everyone in the family."

ACM's June 2 grand opening ceremonies begin at 9:45 a.m. and the museum doors officially open at 11 a.m. Festivities include a free, live

concert by six-time Grammy Award winners "Asleep at the Wheel," an outdoor car show, slot car racing, driving simulators and, of course, Harold's beloved cars.

Advance tickets to the grand opening can be purchased at [www.lemaymuseum.org](http://www.lemaymuseum.org).

**PONY UP:  
TITUS-WILL FORD AND ACM TO RAFFLE  
2013 FORD MUSTANG GT CONVERTIBLE AS  
FUNDRAISER**

ACM has come up with a high-powered method of raising funds for the new non-profit museum. Thanks to Titus-Will Ford a 2013 Ford Mustang GT convertible premium edition will be raffled to benefit the museum.

ACM will begin selling tickets for the raffle (\$50 per ticket) on June 1, with sales continuing throughout the summer and culminating with the drawing of the winning ticket on Sunday, September 9, when ACM hosts

the Kirkland Concours d'Elegance.

"What prize could be more fitting for America's Car Museum than one of America's greatest muscle cars?" said Dominic Dobson, chief development officer of ACM. "We're grateful to Graham Tash and his team at Titus-Will Ford for their generous donation of the Ford Mustang GT convertible. Whoever wins this car is going to have some great times behind the wheel, and I hope they'll bring the car on many future visits to ACM."

The 2013 Ford Mustang GT features a 5.0-liter V8 engine equipped with a six-speed automatic transmission and a powerplant capable of 420 horsepower. The vehicle has a Deep Impact Blue exterior, Charcoal Grey interior, black cloth top and also comes equipped with a special electronics package with navigation, 19-inch machined aluminum wheels and heated seats. As equipped, the MSRP for the Mustang GT is \$46,055.

The raffle is open to adults 18 and older, and the winner does not need to be present to win. Tickets may only be purchased onsite at ACM. Raffle tickets cannot be mailed or sold online.
